

4 Star Agreement (Continued)

Front/rear suspension - Shock absorbers, coil springs, upper and lower wishbones, ball joints, swivel joints, McPherson struts, suspension arms, anti-roll bar, self levelling units and reservoir pump and regulator valves, displacer, hydro-pneumatic system (excluding leaks & bushes).

Wheel bearings - Front and rear wheel bearings.

Clutch - Centre plate covered for oil contamination, pressure plate, thrust bearing, clutch fork, master cylinder, slave cylinder.

Electrics - Starter/solenoid, alternator, regulator, coil, distributor, E.C.U. (engine only), front and rear window/headlamp wiper motors, heater fan motor, indicator relay, electric window motor, sun roof motor, centralised locking solenoids, horn, cruise control, actuator and control unit only

Casings - In the event of a covered item causing damage to a casing then the casing will form part of the maximum claim liability.

Car Hire - In the event of an agreed repair and provided that the repair time according to K.I.S. schedules is in excess of 8 hours, a maximum of £20 per day inclusive of VAT (excluding petrol and insurance) may be reimbursed for up to a maximum of 5 days, (related to the actual repair times from the time repairs commence) and provided that car hire is authorised by us prior to the start of the hire period.

Vehicle Recovery - In the event of an agreed repair, Tow-in charges up to £50 including VAT will form part of the maximum repair payout.

For full terms and conditions please refer to our agreement document.

5 Star Agreement

This Agreement applies to vehicles which are up to 5 years old and have covered less than 60,000 miles.

Parts Covered - During the specified period all of the original manufacturer's mechanical and electrical components of the vehicle are covered against total failure except those listed under exclusions. Full terms and conditions are set out in this agreement.

Cover includes:

Turbo/Supercharger (Factory fitted)

Air Conditioning (Factory fitted)

Timing Belts - Providing there is proof that the manufacturer's replacement recommendations have been complied with and they are free from oil contamination.

Exclusions - Chassis, bodywork, interior and exterior trim, locks, glass, tyres, batteries, exhaust systems, diesel particulate filters, catalytic converter, fuel tanks, brake friction material, wiring looms, road wheels, clearing of fuel lines, injectors, oil seals, satellite navigation, in car entertainment, seized brake callipers and all service items, heater elements, centralised locking pumps, car telephone, air bags, sensors, keys, key cards, remote fobs, all light units, bulbs including gas filled, LED's, Xenon starter units, Air conditioning recharging, anti-freeze, lubricants, filters, transmission fluids, external oil or fluid leaks, hardware e.g. bolts and fixings, pulleys/dampers, serviceable and ancillary items. Instrument gauges are covered only in the event of a single gauge which can be replaced separately not as a cluster.

Casings - In the event of a part included in this agreement causing damage to a casing then the casing will form part of the maximum claim liability.

Car Hire - In the event of an agreed repair and provided that the repair time in accordance with K.I.S. schedules is in excess of 8 hours, a maximum of £50 per day inclusive of VAT (excluding petrol and insurance) may be claimed for up to a maximum of 5 days, (related to the actual repair times from the time repairs commence) and provided that car hire is authorised by us prior to the start of the hire period.

Vehicle Recovery - In the event of an agreed repair, Tow-in charges up to £50 including VAT will form part of the maximum repair payout.

For full terms and conditions please refer to our agreement document.

Summary of parts covered

VGS 
Warranty Products & Services

2 Star Agreement

This Agreement applies to vehicles which are purchased over £1,000.

Only the following listed parts are covered by this agreement.

Engine - Rocker assembly, inlet and exhaust valves, valve guides and springs (excluding burnt valves and decokes), cylinder head (excluding cracks and overheating damage), stretched head bolts, push rods, camshaft and cam followers, timing gears, chains and tensioner, oil pump, pistons and rings, cylinder bores, gudgeon pins, con rods and bearings, crankshaft and bearings, flywheel and ring gear, distributor drive.

Manual gearbox - Gears, shafts, synchromesh hubs, selectors, bushes, bearings, speedometer drive, overdrive units (when fitted), solenoid, transfer box

Automatic gearbox - Gears, oil pump, shafts, bushes, clutches, brake bands, bearings, governors, servos, torque converter, drive plate, valve block, governor, modulator valve, speedometer drive.

Drive System - Crown wheel, pinion, half shafts, planet gears, bevel gears and bearings.

Electrical - Alternator, starter.

Brakes - Master Cylinder.

Steering - Manual rack and pinion, steering box, idler box (excluding leaks).

Cooling System - Water Pump, Head Gasket

Casings - In the event of a covered item causing damage to a casing then the casing will form part of the maximum claim liability.

For full terms and conditions please refer to our agreement document.

3 Star Agreement

This Agreement applies to vehicles which are purchased over £1,500.

Only the following listed parts are covered by this agreement

Engine - Rocker assembly, inlet and exhaust valves, valve guides and springs (excluding burnt valves and decokes), cylinder head (excluding cracks and overheating damage), stretched head bolts, push rods, camshaft and cam followers, timing gears, chains and tensioner, oil pump, pistons and rings, cylinder bores, gudgeon pins, con rods and bearings, crankshaft and bearings, flywheel and ring gear, distributor drive.

Timing Belts - Are covered if there is proof that the manufacturer's replacement recommendations have been complied with.

Manual gearbox - Gears, shafts, synchromesh hubs, selectors, bearings, speedometer drive, overdrive units (when fitted), solenoid, transfer box

Automatic gearbox - Gears, oil pump, shafts, bushes, clutches, brake bands, bearings, governors, servos, torque converter, drive plate, valve block, governor, modulator valve, speedometer drive.

Differential - Crown wheel, pinion, planet gears, planet carriers, bearings, and all internal components, halfshafts.

Clutch - Clutch fork, master cylinder, slave cylinder, centre plate, pressure plate, thrust bearing is covered for actual breakage of component. Centre plate covered for oil contamination.

Brakes - Master Cylinder, disc brake callipers (excluding seizure).

Propshaft - Propshaft, universal joints and bearings.

Wheel Bearings - Front and Rear

Steering - Rack and pinion, pump, steering box and idler (excluding leaks).

Suspension - Coil springs, front and rear

Fuel System - Mechanical and electrical fuel pump.

Cooling System - Head gasket, water pump, thermostat.

Electrical - Alternator, starter motor, front and rear windscreen wiper motors and indicator relay.

Diesel Injection - Diesel injection pump only.

Casings - In the event of a covered items causing damage to a casing then the casing will form part of the maximum claim liability.

Vehicle Recovery - In the event of a valid claim, Tow-in charges up to £20 including VAT will form part of the maximum claims liability.

For full terms and conditions please refer to our agreement document.

4 Star Agreement

This Agreement applies to vehicles which are up to 10 years old and have covered less than 100,000 miles.

Only the following listed parts are covered by this agreement.

Engine - Rocker assembly, inlet and exhaust valves, valve guides and springs (excluding burnt valves and decokes), cylinder head (excluding cracks and overheating damage), stretched head bolts, push rods, camshaft and cam followers, timing gears, chains and tensioner, oil pump, pistons and rings, cylinder bores, gudgeon pins, con rods and bearings, crankshaft and bearings, flywheel and ring gear, distributor drive.

Timing Belts - Providing there is proof that the manufacturer's replacement recommendations have been complied with and they are free from oil contamination.

Manual gearbox - Gears, shafts, synchromesh hubs, selectors, bushes, bearings, speedometer drive, overdrive units (when fitted), solenoid, transfer box

Automatic gearbox - Gears, oil pump, shafts, bushes, clutches, brake bands, bearings, governors, servos, torque converter, drive plate, valve block, governor, modulator valve, speedometer drive.

Turbo - The complete unit (including wastegate, if it is an integral part of the turbo unit and cannot be purchased separately).

The agreement applies only:

- If the turbo is fitted as part of the manufacturer's original specifications.

Drive System (front / rear) - Crown wheel and pinion, half shafts, bearings, planet gears, bevel gears, rear external drive shafts, constant velocity joints, 4 wheel drive units.

Excluding: rubber gaiters.

Brakes - Master Cylinder, wheel cylinders, brake callipers (excluding seizure), servo, brake pumps, brake limiter valve, ABS computer /pumps.

Steering - Rack and pinion, steering box, idler box, power steering rack/ram and pump, pressure pipes, reservoir, steering column (excluding oil leaks).

Cooling System - Water Pump, head gasket, thermostat, heater matrix, electric fan motor, viscous fan coupling, radiator, air conditioning pump.

Propshaft - Propshaft, universal joints and bearings.

Fuel System - petrol /diesel

Mechanical/electrical fuel pump, air flow meter, E.G.R. valve, idle control valve (excluding injectors).
